What makes Premier worth every penny?

Premier's dedication to offering the best solutions in styling, safety, durability and engineering has kept us on the leading edge of the luxury pontoon manufacturing industry for 13 years. Trendsetters in design ingenuity and patents, Premier's goals are clear: continue to be inventive, create the best luxury pontoon on the market, and help make boating an integral part of your family's active lifestyle.

As part of our commitment to ensuring quality, our pontoons are NMMA certified, fully complying with or exceeding federal safety regulations.

Hydrodynamic, two-piece nosecones increase buoyancy and reduce water spray

The Perma-Lok™ deck fastening system is six times stronger than the competition's and comes with a lifetime transferable warranty

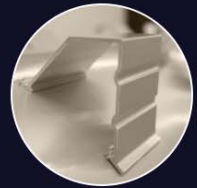

Patented raised rails allow for easy drainage and ensure a fast-drying carpet

Our exclusive Flexsteel® inner-spring furniture offers unmatched comfort and durability

Oversized safety gates are built with "pinch guards" and two heavy-duty hinges, keeping gates stable and warp-free

Extra large footprint M-brackets are positioned every 16 inches on a 25-inch tube

Our 3318 SRT fabric is a 33 oz. 18 mil. vinyl that is both puncture and stain resistant

600 denier Typhoon canvas is secured by Premier's patented J-Clip™ fasteners and is proven to withstand hurricane-force winds

In construction, performance and amenities, Premier comes out on top. Compare for yourself.

PALS™ Positive Air Lock System

Patented EZ access hinge

Recessed horn and lights

Patented J-Clip™

Construction

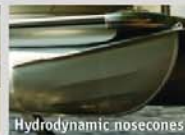

100% wood-free seats with drain system
 Safety gates with "pinch guards"
 Organic acid etched and waxed tubes
Snap-free J-Clip™ cover fastening system*
 Bimini top frame / warranty
 Aluminum alloy material
Rail spacers* with patented foot
EZ Hinge seat storage system*
Stainless steel quick-release Bimini bracket*
 Wood-free construction (excluding deck)
 Vinyl
 Deck fastening system** (type of fastener and number used)
 Full-length keel
 Recessed docking lights
 Built-to-order custom boats
 PALS™ Positive Air Lock System on tubes
 600 denier Typhoon canvas with zipper access
 Cleats (4)
 Aluminum rails
 100% built in-house

PTX™ package

Fishing station

Hydrodynamic nosecones

Performance

PTX™ center tube with locker and 53 gal. fuel tank
 Extended transom fishing models
 Hydrodynamic nosecones, 2-piece construction
 Triple tube performance package
