

2020 PREMIER MARINE  
WHERE INNOVATION MEETS THE WATER.

## WE KNOW WHERE YOU WANT TO BE.

On the water, spending time with your family and friends. It's our favorite place too.

Because we're fishermen and skiers, swimmers and sunbathers, storytellers and stargazers,  
we build pontoons that reflect everything we know and love about being on the water.

Real-life, real-people testing is how we make the Premier experience even better, year after year.  
This 2020 lineup is proof of that with improved features, new finish options, and attention to every detail.

Only people who care this much, can make pontoons that perform this well.

## EXECUTIVE SERIES

### ENJOY OUR MOST LUXURIOUS ACCOMMODATIONS.

Meticulously crafted with luxury in mind, the Executive Series is the ultimate in our line of high-end watercraft. Exclusively available at Premier.

## CRUISE SERIES

### INTRODUCE YOUR FAMILY TO OUR FAMILY.

For families setting out to create memories, the Cruise Series pontoons have room for everyone to relax and connect.

## ELITE CRUISE SERIES

### GIVE YOUR FRIENDS AND FAMILY SPECIAL TREATMENT.

Enjoy your everyday excursions even more in the Elite Cruise Series pontoons that take comfort to the next level.

## ADVENTURER/CROSSOVER SERIES

### GO BEYOND BASIC TO ESSENTIAL.

Whether the day calls for fishing or just relaxing, the 2-point fishing layout of the Adventurer/Crossover Series easily adapts.

## SPORT SERIES

### ENGAGE IN A NEW SPORT.

When performance is the top priority, the Sport Series is the preferred choice of active boaters who play hard on the water.

## ANGLER SERIES

### LET'S GO FISHIN'.

The 4-point fishing layout of the Angler Series is purpose-built to put skilled anglers in their best position for success.

## PTX HULL TECHNOLOGY

With flat planing surfaces and strategically positioned lifting strakes, our patented hull technology creates dramatic increases in top speed with maximum riding stability and comfort. Premier Marine PTX Hull Technology provides the maneuverability, responsiveness, turning radius, fuel efficiency, and absolute boating comfort that defines the Premier ride.

## WHAT FLOATS YOUR BOAT.

At the core of PTX technology is the basic relationship between volume and buoyancy. With approximately 23% on average greater hull volume than competitors, Premier Marine pontoons are more stable whether planing or not.

Premier PTX

25" PTX is 9.5% larger on average than our competitors' tubes.  
30" PTX is 18.5% larger on average than our competitors' tubes.  
36" PTX is 23.5% larger on average than our competitors' tubes.  
42" PTX is 36.5% larger on average than our competitors' tubes.

Round Tubes - competitors'

15% less volume on average than PTX

Elliptical Tubes - competitors'

18.5% less volume on average than PTX

## GET UP TO SPEED FASTER.

Our sealed, extruded, and contoured lifting strakes on the inside of the outer tubes improve overall performance. Lifting strakes allow the boat to get up on plane faster and will increase top speed as much as 10%. Our strakes are also sealed to help prevent environmentally invasive species from stowing away on your boat.

## WE'VE MADE ROOM FOR EVERYTHING.

Our 7'-long storage area has 15.5 cubic feet of space to accommodate almost anything you need to bring on your boat, including skis, wakeboards, fishing rods, life jackets and boat covers.

## GET MORE OUT OF YOUR HORSEPOWER.

Hydrodynamic, under-deck sheeting helps shed water away from the decking and increases performance.

## FUELING YOUR FUN.

Premier's PTX features an EPA-compliant fuel tank located in the center tube, placed in front of the transom for better balance and stability.

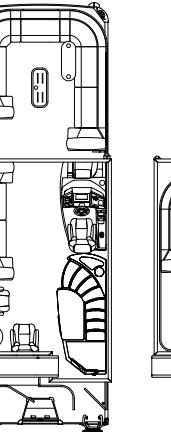

# ESCALANTE

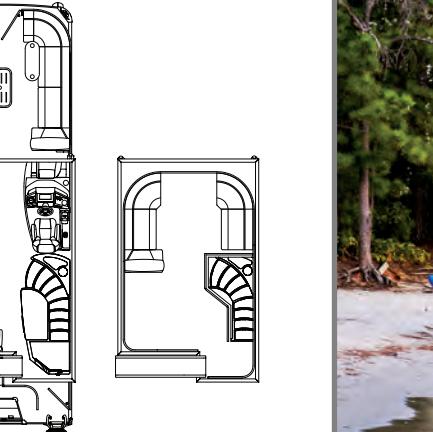

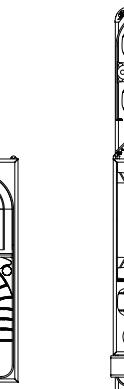

Pamper yourself at a higher level. The Escalante includes exclusive features that can only be found on a Premier pontoon—such as an upper-deck waterslide, walk-up steps, and hard-sided changing room.

## NEW FOR 2020

Inspired by the latest advancements in the automotive industry, the Pinnacle Helm includes many of the amenities you'd find on luxury cars. The 12-inch Simrad Display comes standard, leading the industry as the largest display among pontoons. The Superior Steering Wheel comes with push-button audio and navigation controls, and the billet phone holder is capable of wireless charging. Other notable features include a USB and a 12-volt outlet, two lockable storage compartments, front helm forward seating with an armrest, and three cup holders, including one that is electronically cooled.

Finding space for storing everything you need to enjoy a day on the water can be challenging. The patent-pending PTX Vertical Lift Cooler provides discreet storage for your cold drinks, by keeping them below deck. From the helm, the simple push of a button raises and lowers a Yeti 45 Cooler from the center PTX tube, so drinks stay cool, convenient, and out of the way.

In 2009, Premier released the first bed boat layout in the industry. Fast-forward 10 years, Premier has reinvented the bed boat with our new Rear Lounge—believed to be the largest available on the market today. The Rear Lounge is equipped with eight cup holders, a paper towel holder, and smart dual USBs in a watertight glove box storage compartment.

## EVERY PREMIER PONTOON IS BACKED BY A SEVEN-YEAR COMPREHENSIVE WARRANTY.

We offer a lifetime (limited) warranty on decks, rotocast furniture frames, bimini frames and brackets, tube welds, rails, and gates. We also offer an exclusive 7-year warranty on furniture fabrics and a 7-year warranty on Seagrass luxury-woven vinyl flooring.

## THE BIGGEST MUSCLES IN THE INDUSTRY.

We've teamed up with the world's leading motor companies to offer you a wide selection of brands and horsepower levels. Customize what powers your experience to make it your own.

The following trademarks are the intellectual property of Premier Marine, Inc.: Premier®, Premier: Where Innovation Meets the Water™, SunSation™, SaltEx™. Premier Marine, Inc. asserts common law trademark rights on all other trademarks indicated with a ™. Other trademarks are property of their respective owners. Premier holds several industry-leading patents: Rail Spacers, E-Z Hinge System, Bimini Top and Hardware. Patents pending: Grand View, Mirage Changing Room, Ricochet Ladder, Lighted Seat Stanchions, Escalante Stairway Galley, Dura Rails, Crystal Caddy.

Premier Marine, Inc. promotes safe boating and recommends that a suitable boat operator be a licensed driver. Do not operate your pontoon under the influence of drugs or alcohol. Always wear life jackets. For maximum enjoyment and safety, read the owner's manual and labels, and follow all safety checklists prior to the operation of your pontoon and motor. All specifications and options were accurate at time of printing and are subject to change without notice. Premier Marine shall not be held responsible for typographical errors. Boats may be shown with optional equipment. Consult your dealer to ensure availability of options and equipment that may no longer be available.
