

2022

We don't create the ultimate boating experience — you do. At Premier, our passion for boating is only surpassed by that of our customers. It's your enthusiasm for time spent on the water with family and friends that drives us. Through continuous innovation, unsurpassed quality, and superior customer satisfaction, Premier has been building world-class premium pontoons and setting the industry benchmark since 1992 — and we're just getting started. Our resolve to deliver the best ownership experience in the industry has never been stronger. At Premier, we aren't simply building the world's best pontoons. We're making your best memories.

SATISFACTION YOU CAN COUNT ON

Year after year, our toughest critics become our biggest fans. For 14 years running, Premier pontoons have earned the National Marine Manufacturers Association (NMMA) Customer Satisfaction Index award for exceeding standards in customer satisfaction excellence.

THE BEST MEMORIES START HERE

Introducing the 2022 Premier pontoons. Now more than ever, our experience, our quality, our performance, and our innovation are ready to deliver the absolute best experience on water.

PERFORMANCE THAT EXCEEDS

In 1994, Premier rewrote the rules with the introduction of PTX technology. The result was the industry’s first performance pontoon. Developed by renowned high-performance marine engineer Fred Cotey, the proprietary PTX design infused a race proven pedigree into Premier pontoons. With the ability to get on plane almost instantly and deliver the tightest turning radius and the fastest speeds, PTX instantly made Premier a recognized leader ... and the boating industry hasn’t caught up yet.

THE SCIENCE OF SPEED AND HANDLING

The advantage of PTX™ technology resides in the size and shape of our center tube. Featuring a flat, Performance Planing Surface (PPS™), variable ride surface, and inward-facing lifting strakes, PTX technology gets you on plane instantly. It delivers wicked acceleration, faster top speeds, on-rails handling, and a smoother, more comfortable ride with increased efficiency.

PTX PERFORMANCE BENEFITS

<p>ACCELERATE, TRIM, AND FLY</p> <p>Nothing gets on plane quicker or runs faster than our flat 12" Performance Planing Surface.</p>	<p>SHARPEN EVERY TURN</p> <p>Turn tighter with seamless precision and confidence with our patented octagonal PTX tube.</p>	<p>LESS DRAG FOR MORE GO</p> <p>Under-deck sheeting reduces drag in the water for increased performance and fuel efficiency.</p>	<p>BLINK, AND YOU'RE GONE</p> <p>Speed-tuned lifting strakes make the near instant plane and acceleration of PPS even faster.</p>
<p>FLATTEN ROUGH WATER</p> <p>Smooth over the chop with the improved ride quality and comfort of our patented PTX design.</p>	<p>BALANCE YOUR RIDE</p> <p>The fuel tank is mounted in the middle tube creating a lower center of gravity for improved balance and handling.</p>	<p>INVITE MORE FRIENDS</p> <p>Our larger tube design provides greater stability and more capacity for passengers and gear.</p>	<p>LEARN MORE ABOUT PTX PERFORMANCE AT PONTOONS.COM</p>

OVERBUILT TO OVERDELIVER

You might not think of your Premier pontoon as a family heirloom, but it's nice to know it could be. From the best materials and the smartest construction methods to industry-leading technologies, our pontoons are built for a lifetime of memories.

STRONGER TUBES

To handle the abuse of rough water and the demands of today's high horsepower engines, bigger is better. Premier pontoons feature a solid-welded keel; 25-inch or 27-inch diameter tubes (larger than the industry standard); and are constructed using a thicker .090" gauge aluminum. Internal baffles add strength and create individual air-tight chambers.

COMPOSITE FURNITURE

Nearly every minute you spend on the water, you'll find yourself in the comfort of our built to last premium furniture. With no wood to rot and long-life, UV stable marine-grade fabrics that withstand stains and adapt to ever-changing temperatures.

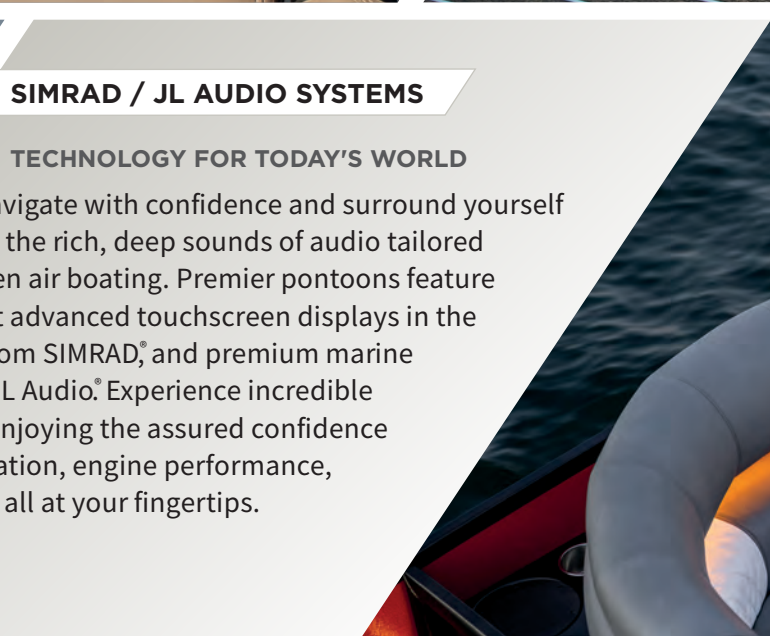

THICKER RAILS

There's beauty in the strength of our rails. Featuring dual embossed panel construction and pressure crimped edges for greater rigidity, less vibration, and reduced noise — a Premier pontoon can withstand the bumps and rubs of everyday use and still keep that showroom shine.

RUGGED DECKING

We start with extruded Z-Channel floor supports every 16 inches, and then incorporate 7-ply marine grade plywood using stainless hardware and bonded seams for a solid foundation. It's then finished with a durable marine grade woven nylon flooring.

SIMRAD / JL AUDIO SYSTEMS

TECHNOLOGY FOR TODAY'S WORLD

Navigate with confidence and surround yourself with the rich, deep sounds of audio tailored for open air boating. Premier pontoons feature the most advanced touchscreen displays in the industry from SIMRAD®, and premium marine audio from JL Audio®. Experience incredible sounds while enjoying the assured confidence of SIMRAD navigation, engine performance, sonar, and more — all at your fingertips.

ULTRAFABRIC MATERIAL

HARDWORKING LUXURY

From Learjets to McLaren® automobiles, Ultrafabrics® can be found in the world's most exotic and desirable vehicles. Specifically engineered to handle harsh environments, Ultrafabrics are always soft, yet remain incredibly durable, easy to clean, mildew resistant, and feature temperature-controlled technology.

THE REVOLUTION

LUXURY IN EVERY DIRECTION

Never settle with a one-dimensional floor plan again. Our exclusive Revolution™ seating configuration offers 360 degrees of choice. The rotating Revolution design locks at 90-degree intervals, including direct to the water access and easily converts from a booth to sun lounger in seconds.

THE RICOCHET SYSTEM

WATER ACCESS MADE EASY

You'll never forget to flip up the boarding ladder again. Our innovative Ricochet ladder®, or upgraded staircase system, automatically returns to a retracted position when you initiate forward movement.

ESCALANTE

A Premier exclusive, there's no other pontoon like the Escalante. Featuring a 10-foot wide deck, an expansive upper deck and a unique staircase that brings it all together. With a water slide, expansive bar for entertaining and the only pontoon in the industry with stand-up headroom, the Escalante creates an unforgettable day on the water.

MAIN FEATURES

- 10'-wide beam
- 27" .090" tubes
- Stainless steel gunnel
- Polished aluminum corner casting with dock and navigation lights
- Midship eyes
- Pinnacle Ultrafabric furniture
- Bow filler couch
- 2 acrylic cup holders
- Wireless charging phone pockets
- Magnetic surfaces
- Double panel rail
- Automatic dual battery control system
- On-board battery charging system
- Ricochet ladder
- Bow playpen cover
- Day enclosure
- 6" bow stainless steel flip-up cleats
- 6" aft stainless steel cleats
- Movable fender clips
- Speaker caddy with cooler – DL only
- JL MM105 stereo with remote
- 6 JL M6 speakers with subwoofer
- RGB furniture lights
- RGB toe kick lights

- RGB rail lights
- RGB speaker lights

MAIN FEATURES

- 25" .090" tubes
- Standard gunnel
- Polished aluminum corner casting with dock and navigation lights
- Signature soft touch furniture
- Cup holders in furniture
- Phone storage pockets
- Paper towel holder
- Telescoping ladder
- Double panel rail
- Single battery switch
- 9' Evolution bimini
- Playpen cover
- 6" bow and aft stainless steel cleats
- Movable fender clips
- Bow speaker caddies – 4PT only
- Clarion stereo
- 4 Clarion speakers
- RGB speaker lights
- Changing room – excluding XLS
- Round legacy table

PTX 25" PACKAGE

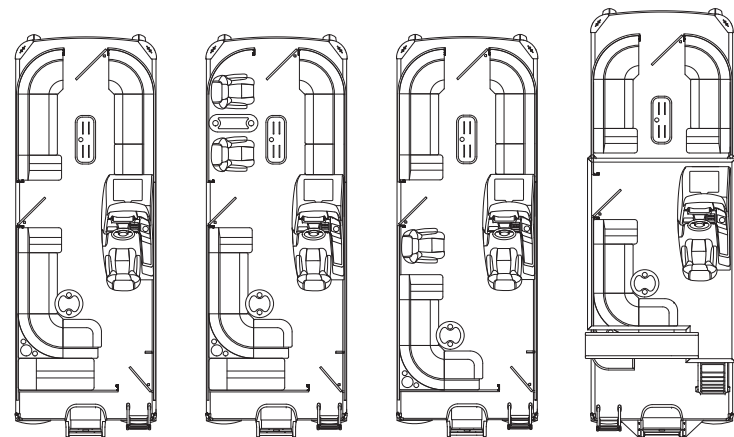

- 30-gallon tank

- .125" rough water nose cones
- Hydraulic steering
- Performance sheeting
- Ski locker
- Lifting strakes

SIGNATURE HELM

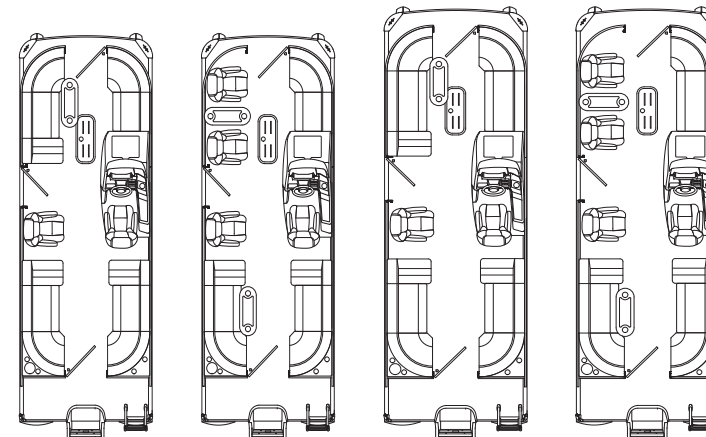

- HOOK Reveal
- Striker wheel
- Tilt steering
- 12-volt outlet
- RGB lighting controller
- Fast-charging USB
- Phone mount
- Side storage panel

REAR ANGLER STATION

- Livewell
- Rod holders
- 12-volt outlet
- Deluxe fishing chairs
- Stainless steel cup holders
- Trolling motor gate

POPULAR OPTIONS

- Rod locker
- Livewell in helm

LIFETIME & BOW-TO-STERN WARRANTY

We offer a lifetime (limited) warranty on decks, rotocast furniture frames, bimini frames and brackets, tube welds, rails, and gates. We also offer an exclusive 10-year warranty on furniture fabrics and a 10-year warranty on Seagrass luxury-woven vinyl flooring. Available on all models except the Sunspree which is backed with a 7-year bow-to-stern warranty.

THE BIGGEST MUSCLES IN THE INDUSTRY

We've teamed up with the world's leading motor companies to offer you a wide selection of brands and horsepower levels. Customize what powers your experience to make it your own.

The following trademarks are the intellectual property of Premier Marine, LLC: Premier®, Premier: Where Innovation Meets the Water™, SunSation™, SaltEx™. Premier Marine, LLC asserts common law trademark rights on all other trademarks indicated with a ™. Other trademarks are property of their respective owners. Premier Marine holds several industry-leading patents: Rail Spacers, E-Z Hinge System, Bimini Top and Hardware. Patents pending: Grand View, Mirage Changing Room, Ricochet Ladder, Lighted Seat Stanchions, Escalante Stairway Galley, Dura Rails, Crystal Caddy.

Premier Marine promotes safe boating and recommends that a suitable boat operator be a licensed driver as well as the following:

1. Do not operate your pontoon under the influence of drugs or alcohol and always wear life jackets.
2. Do not operate unless all occupants are in designated NMMA seating positions.
3. Do not start the engines unless the driver's seat is locked in the forward-facing position.
4. For maximum enjoyment and safety, read the owner's manual and labels, and follow all safety checklists prior to the operation of your pontoon and motor.
5. Be certain the driver has the emergency kill switch lanyard attached at all times during operation

All specifications and options were accurate at time of printing and are subject to change without notice. Premier Marine shall not be held responsible for typographical errors. Boats may be shown with optional equipment. Consult your dealer to ensure availability of options and equipment that may no longer be available. © Premier Marine, LLC.
